Mobiles vs The Bible

What would happen if we treated our Bible like we treat our mobiles?

What if we carried it around in our handbags or pockets?

What if we turned back to go get it if we forgot it?

What if we flipped through it several times a day?

What if we used it to receive messages from the text?

What if we treated it like we couldn't live without it?

What if we gave it to kids as gifts?

What if we used it as we travelled?

What if we bought new ones, just to be proud of what it looked like?

What if we used it in case of an emergency?

What if we got it out to show off to someone our skill in knowing how to use it?

What if we groaned when we dropped it?

What if we always had it close for easy access? (hmm... where is my Bible?)

Oh, and one more thing....

Unlike our mobiles, we don't ever have to worry about our Bible being disconnected, because Jesus already paid the bill!

24.04.2010.

Dušo moja, slavi Gospoda, i sve, što je u meni, sveto ime njegovo!
 Dušo moja, slavi Gospoda i ne zaboravljaj nijednoga dobročinstva njegova! On je, koji ti oprašta za sva zlodjela, koji ozdravlja sve bolesti tvoje, Koji čuva od propasti život i tvoj, koji te kruni milošću i milosrdem.

Psalam 103:1-4

Praise the LORD, O soul, all my inmost being, glorify his holy name - For the LORD, O my soul, and do not forget the benefits which the LORD has done for you, his sins and his iniquities, who redeems your soul from the pit and whose compassions are over all your iniquities.
