Overseas News: Africa Update

Tembwe, a 51-year-old Zambian farmer was struggling to support a family of twelve. He carried a heavy burden of responsibility - his eight children had been joined by two orphans left after the death of his sister.

With little energy and scant resources, Tembwe tried valiantly to provide for his family. But it was impossible for Tembwe. He had no income and his farm was underproductive. Tembwe's children ate just one small serving of maize porridge a day.

Tembwe and his family are not alone. In southern Africa and other places affected by severe poverty, many people eat just one small, nutritionally-deficient meal a day. Worldwide, almost 16,000 children die every day from hunger-related causes. One billion people survive on just \$1 a day.

But things changed for Tembwe last September when he met a lead farmer from ADRA's farming program. The lead farmer trained Tembwe in compost farming, intercropping, seed multiplication, winter farming and crop protection. Tembwe now has crops on all of his eight hectares.

If the good weather continues, he plans to sell two-hundred 50kg bags of maize—an income of \$3,000!

Earlier this year an ADRA monitoring trip reported that Tembwe is now working with his brother on the same land and their crops have increased further. He has also built himself a canoe that he uses for fishing, and he and his brother share the use of a treadle pump to improve the amount of water that they can feed their crops. He has begun raising some goats and chickens and has bought a small solar panel to help bring some light to his house for his family.

ADRA Need of the Month

- Recon volunteers are needed for the Homework Club every Wednesday and Outreaches at the Office of Housing Estates.
- Nth Fitzroy "Open Door" Soup Kitchen needs volunteers 3 nights a week—Sunday, Tuesday and Thursday.
- Ferntree Gully Crisis Relief Service needs help with interviewing clients every Monday 1-3pm

The Redwood Community Centre continues to provide counselling support to families in the Warburton area.

"The Redwood Community Centre has become a support structure for the socially disadvantaged or at risk in Warburton," said Pastor and Psychologist Richard Araya Bishop. "Through the work we do at the Centre we have a unique opportunity to really help others with a holistic provision of services, enhancing mental and interpersonal wellbeing, health and lifestyle improvement and training and skill development."

Local News: Girls Refuge

The girls refuge, Asher House, has seen the arrival of a number of new girls over the last few months. They have been a great addition to the Asher family. Luke has also been busy planting a vegetable garden. It has been greatly enjoyed by all.

One of Revive's small groups recently held a pamper night for the Asher house girls. A fun night was had by all. These social nights will continue on a monthly basis.

Praise the LORD, O my soul; all my inmost being, praise his holy name. Praise the LORD, O my soul, and forget not all his benefits who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion. Psalm 103:1-4

Dušo moja, slavi Gospoda i sve, što je u meni, sveto ime njegovo! Dušo moja, slavi Gospoda i ne zaboravljaj nijednoga dobročinstva njegova! On je, koji ti oprašta za sva zlodjela, koji ozdravlja sve bolesti tvoje, Koji čuva od propasti život i tvoj, koji te kruni milošću i milosrđem, Psalm 103,1-4.
