☉ SPRING WORLD MISSION APPEAL – 9 APRIL 2011

Did you know that there are more than 13,000 spoken languages in the world? And that there is no Adventist work of any sort in 12,665 of them? Did you know that there are 1,459 groups of 10,000 or more people who don't have a single phrase of Scripture written in their mother tongue?

Twice a year the offering taken during our church service goes to support mission work around the world. It helps fund missionaries, hospitals, clinics, schools, and churches. And it helps print literature and prepare broadcasts so that people who may otherwise never know of Jesus can hear or read about Him in their own language.

Today we have a special opportunity to share words of hope and love. Thank you for supporting the World Mission Offerings and reaching a world in need.
