Thinking For a Change

e-devotion

'The plans of the diligent lead to profit...' Proverbs 21:5 NIV

In his book, Thinking for a Change, Dr. John Maxwell says, 'The right thought, plus the right people, in the right environment, at the right time, for the right reason, always produces the right result.' Let's take a minute and break those words down: (1) The right thought. Thinking produces ideas, and ideas have incredible power and potential. But every idea begins as a 'seed thought,' so you have to nurture and protect it. (2) The right people. When you expose the right idea to the right people, great things happen. In their company it blossoms and becomes infused with possibility. (3) The right environment. In the right environment thinking is valued, ideas flow freely, fresh eyes are welcome, changes are expected, questions are encouraged, egos are checked, ideas stimulate better ideas, and thinking generates teamwork. (4) The right time. The Emperor Hadrian said, 'To be right too soon, is to be wrong.' While still in the 'stretching' stage of an idea, present it without expectation, time frames, or rigidly defined goals. Why? Because if you try to implement your idea too early it may not survive. (5) The right reason. JP Morgan said, 'A man always has two reasons for doing anything: a good idea, and the real reason.' Motives matter - and selfish motives disqualify us. God only gets behind ideas that fulfill His purposes and demonstrate His love for others. Sometimes an idea becomes great when it partners with another idea; other times it excels just as it is. One thing is certain: as you stretch your thinking, you will discover that your thinking is stretching you.

Reflection: Judges 7:1-9:33, Mark 10:23-34, Ps 93, Pr 13:7-8

nika je izabran pastor Zlatko Musija, za tajnika pastor Neven Kláčmer, za blagajnika pastor Nebojša Milovanović. Prvi puta su u istome danu održani i izborni sabori Hrvatske konferencije i Slovenske konferencije, kao zasebnih entiteta koji sačinjavaju uniju zajedno s Albanskom misijom.

Za predsjednika Hrvatske konferencije izabran je pastor Drago Mojzeš, za predsjednika Slovenske konferencije pastor Zmago Godina a za Albansku misiju je izabran, prvi puta u povijesti djelovanja Adventističke crkve u Albaniji, albanski pastor Alban Matohiti koji će početi s radom 2015. godine. Gosti sabora bili su predsjednik Transeuropske divizije Kršćanske adventističke crkve, kojoj pripada Jadranska unija, pastor Bertil Wiklander i pastor Raafat Kamal, tajnik divizije zadužen za vjersku slobodu i odnose s javnošću. Predsjednik Wiklander je prema protokolu i statutu crkve predvodio izbornu postupak.

Novoizabrani predsjednik Jadranske unije konferencija Zlatko Musija bio je dosadašnji predsjednik Hrvatske konferencije, a novoizabrani tajnik unije Neven Kláčmer bio je pastor najveće adventističke crkve u Zagrebu. Izabrani su i Izvršni odbori Jadranske unije konferencija, Hrvatske konferencije i Slovenske konferencije. Izvršni odbor unije koji ima najvišu upravnu ovlast u sljedećem mandatu, naknadno će izabrati voditelje pojedinih odjela crkve. Ostali zaključci sabora odnose se na razvojne planove, viziju i misiju crkve kao i izmjene i dopune statuta crkve. Dosadašnji predsjednik Jadranske unije konferencija bio je pastor Branko Bistrovic a tajnik unije bio je pastor Srećko Kuburić. Oni su u dva dosadašnja mandata učinili brojne promjene i napretke u strukturi i organizaciji crkve na području unije.

Izborni sabor glavno je organizacijsko tijelo u Adventističkoj crkvi koje

je sastavljeno od pastora i vjernika laika predloženih od mjesnih crkava i opunomoćenih od uprave crkve. Zastupničkim i demokratskim načinom ovo tijelo izabire novo vodstvo te odlučuje o ustavu, statutu i glavnim smjernicama razvoja crkve. Od ove godine objedinjeni su mandati Jadranske unije konferencija Kršćanske adventističke crkve, Hrvatske konferencije i Slovenske konferencije, a njihovi izborni sabori održavat će se svakih pet godina.
