"With her dreams of musical fame and fortune on track, Naomi was hailed by critics as "the next Celine Dion." But one conversation changed it all. In the narrow hallway of a recording studio a chauffeur told her, " I had a dream about you last night. An angel came to me and told me he had a message for me to tell you." That message shook Naomi to the core and forced her to re-examine her life. Standing on the threshold of everything she had ever dreamed for herself, Naomi had a decision to

make....."

Come along to her concert and you will hear the rest of her amazing story.

Her music will captivate your heart and lift your spirits. You will not want to miss this Concert! "Hope that Breaks the Dark."

• **GATEWAY TRAINING SCHOOL NEW**

A vision far-reaching and compelling awaits the church of God. In a mission to reach the cities, the servant of God dreamed of the time when every church would take on the call to become a priesthood of all believers. Where every church would be a training school for Christian workers. In our momentous times, in conjunction with our public evangelism campaign, that vision can be made a reality:

"Training schools and public meetings should be combined when doing city work. A well-balanced work can be carried on best in the cities when a Bible school for the training of workers is in progress while public meetings are being held" EGW, Gospel Workers, p. 364-265.

Welcome to the Gateway Training School.

Keep Your Sense of Gratitude

e-devotion

'...Forget not all His benefits.' Psalm 103:2 NKJV

Author Philip Yancey writes, 'remember my first visit to Old Faithful in Yellowstone National Park, rings of...tourists surrounded the geyser... A large, digital clock stood beside the spot, predicting...the next eruption. My wife and I passed the countdown in the dining room of Old Faithful Inn... When the geyser went off, we tourists oohed and aahed and clicked our cameras; a few spontaneously applauded. But, glancing back...I saw that not one single waiter or busboy...looked out the huge windows. Old Faithful, grown entirely too familiar, had lost its power to impress them.' So here's the question: Why do we lose our sense of gratitude and begin to overlook God's goodness? For three reasons:

(1) Problems. If you close one eye and hold a coin close enough to your other eye, you can actually block out the light of the sun. Getting the point? (2) Pressures. Sometimes the perks we thought would bring us pleasure end up wearing us down. (3) People. When they disappoint us we turn sour and forget all that God has done for us. What's the solution? 'The unfailing love of the Lord never ends...Great is His faithfulness; His mercies begin afresh each morning.' (Lamentations 3:22-23 NLT) God's mercies begin each morning, and your gratitude should too. Indeed, your days should be saturated in it. Continual gratitude comes from looking beyond your blessings to their unfailing source, the Lord. His love, His faithfulness and His mercy are already at work when your eyes open each day.

Reflection: 2 Kings 13-15, Matt 26:26-35, Ps 69:19-36, Pr 8:30-31
