INTERNATIONAL CHILDREN'S CARE – AUSTRALIA

Fast facts – Did you know?

- Today, about 18,000 children under five years old die each day (unicef.org)
- It was estimated in 2012 that 1.2 million children are trafficked each year (this is the most recent figure; due to the nature of child trafficking, little is known about its magnitude) (unicef.org)
- 67 million children of primary school age do not attend school (UNESCO)
- Asia is home to the largest number of orphaned children in the world: 60 million at last count (sos-usa.org)

International Children's Care Australia is a supportive ministry of the Adventist church. Not only do we work with churches in Australia, we are closely linked with the Adventist church in each country in which we work.

You CAN make a difference!

- Sponsor a child for just \$43 per month (less than \$10 per week)
- Donate and rescue

a child, provide an education or support a village community through microfinance or health support

- Purchase a gift through our "Gift for Goodness Sake" catalogue – starting at only \$14.

GATEWAY TRAINING SCHOOL

A vision far-reaching and compelling awaits the church of God. In a mission to reach the cities, the servant of God dreamed of the time when every church would take on the call to become a priesthood of all believers. Where every church would be a training school for Christian workers. In our momentous times, in conjunction with our public evangelism campaign, that

vision can be made a reality:

"Training schools and public meetings should be combined when doing city work. A well-balanced work can be carried on best in the cities when a Bible school for the training of workers is in progress while public meetings are being held" EGW, Gospel Workers, p. 364-265.

Welcome to the Gateway Training School.

Develop a Passion for Your Work

e-devotion

'...he who does wrong will be repaid for what he has done, and there is no partiality.' Colossians 3:25 NKJV

John Ortberg writes: 'My friend Andy Chan headed up the placement office for Stanford School of Business, helping graduates find work. He says that some day he wants to write a book called The Myth of Passion. This is the myth that somewhere out there is the perfect job, the idealised calling that fits my soul the way a key fits into a lock. And if I could just find that job, torrents of passion would cascade out of my heart like water going over Niagara Falls.'

We have this romanticised idea that we will find 'job-love at first sight.' But what if you are in a job that doesn't excite you? Ortberg writes: 'Passion for our work is not usually a subterranean volcano waiting to erupt... It is a muscle that gets strengthened a little each day as we show up - as we do what is expected of us, and then some.'

Paul wrote: '...obey... not... as men-pleasers, but in sincerity of heart, fearing God. And whatever you do, do it heartily, as to the Lord and not to men, knowing that from the Lord you will receive the reward of the inheritance; for you serve the Lord Christ. But he who does wrong will be repaid for what he has done, and there is no partiality.' (Colossians 3:22-25 NKJV) Maybe it would help to put a sign up on your desk: 'For God's sake - do your best!' Why? For two reasons: (1) Because you represent Christ in the workplace. (2) When you are faithful in small things, He will promote you to greater things (Matthew 25:21).

Strašne poplave u Hrvatskoj, Bosni i Hercegovini i Srbiji pokrenuli su brojne vjernike na prikupljanje pomoći za stradale koji su ostali bez svojih domova. Najefikasnija pomoć šalje se u novcu putem ADRE, naše crkvene agencije koja pomoć efikasno prosljeđuje do potrebitih. Svi koji želite pomoći - svoj prilog stavljajte u koverticu za Humanitarnu pomoć koja se skuplja u našim darovanjima.

Svoju pomoć možete uputiti i za našeg mladog brata iz Pule, Zorana Kosanovića koji se bori s rakom, rijetkim neugodnim karcinomom koji napao mozak. Za njegovo liječenje navedena je rubrika na dostavljenoj humanitarnoj listi.

Posljednji dio na listi za pomoć obuhvaća akciju prikupljanja sredstava za obnovu naše škole u Maruševcu. Nakon 40 godina djelovanja, inter-nati i zgrade koledža, zahtjevaju intervencije. Uprava Jadranske unije zahvaljuje se na pomoći vjernika iz Australije.

☉ AVONDALE COLLEGE OF HIGHER EDUCATION OFFERING, JUNE 7 NEW

Churches are holy places, but flooding through the flat concrete roof of Avondale College Seventh-day Adventist Church has seen the building become a "holey" place—it even closed after sections of the ceiling collapsed to the floor. Compounding the problem: unlike other local churches, the building is the premier performing arts venue and the spiritual centre for students at Avondale College of Higher Education. Giving to the Avondale College of Higher Education Offering on June 7 will help build a pitched roof. Members of the church and staff members at Avondale are already leading the way. Support them as we all seek to restore and protect our holy place. www.avondale.edu.au/annualappeal.
