The church board members have extended an invitation to all participants, the President of the local Conference, all pastors that have served in the church, the Consul General of the Republic of Croatia in Canberra and Melbourne, as well as members who have been a part of the local church throughout the past 37 years. More than 380 baptised members with their children have been an integral part of this church family, which brings us to approximately 1000 adults and children who have ties to St Albans Church. in Melbourne has been a church with a special heart and outreach mission for people who come from its regions.
