>> AUDIO BIBLE STORIES

Travelling with family in the car these holidays? Audio Bible stories are ideal!

"The Bible Comes Alive" series are fully dramatised recordings which bring the Bible to life, with realistic voices portraying OT and NT characters. This series helps children learn to choose wisely through every circumstance in life, and will engage listeners of all ages with characters' conversations, enveloped with sound effects that are sure to distract from long hours of holiday car travel. There are 5 albums, each 10+ hours, available as CD \$170, or MP3 \$110, per album. An investment in eternity. >> TO STONE, OR TO REMOVE THE STONES?

To throw stones is a complete dead end! Can we love Muslims like Jesus would in a world filled with fear and hate? You must hear Sylvain Romain who is a Seventh-day Adventist Pastor who has dedicated 37 years of his life to build bridges between Christians and Muslims. Instead of throwing stones, he removes the stones and polishes them into jewels. Sylvain is the author of several books and has held seminars and lectures in over 50 countries with both religions, taught in schools and universities, in churches, mosques, and in government entities. We will visit a mosque together and topics

of study will include: Removing the Wall of Fear, The Theology of paganism, How much Antichrist, Terrorism, and Truth is in Islam? And More!
